

Meena HWANG

Director of Community Outreach at the OpenCourseWare Consortium Seoul, SOUTH KOREA

Meena HWANG is the Director of Community Outreach at the OpenCourseWare Consortium. Her role is to make strategic alliances with organizations and promote Open Educational Resources on a worldwide scale. Before joining the Consortium, she was the Chief Researcher at the Center for Teaching and Learning at Korea University focusing on research of policies for improving quality of education and implementation of faculty development programs. She is working on her dissertation for her doctorate degree in Public Policy at the SeoulTech. Her interests are in open and distance education, technology, and educational policies. Prior to working in higher education and OER, Meena's experiences are in corporate training where she worked as a consultant for developing human resources development strategies for multinational corporations.
